HEART WARMING

Rich's® Heart Shaped Donuts will be the heart of your bakery counter!

With a selection of icings, crèmes and finishes, you can offer instant mouth-watering creations.

The heart shaped donut is a great tasting, consistent quality product. Simple and quick to prepare, Rich's® Heart Shaped Donuts are the perfect heart addition to your confectionary offering.

Product Features and Benefits

- New and Innovative
- Convenient: Quick and easy to prepare.
- Variety: Create a broad variety from a single donut with a combination of finishes.
- Easy to execute: Limited labour time and skill needed.
- Inventory control: Reduce waste and replenish the stock as needed when demand is high.
- Versatile: Can apply icings and finishes for promotional offerings.

- A fresh, creative and attractive display that will generate sales.

Handling Instructions

- Must be received and stored frozen at -18°C or below.
- Remove the required amount of donuts and place on a lined baking tray.
- Bake the donuts at 180°C for 2-3 minutes or until hot to the touch.
- Once finished baking, glaze, sugar coat immediately or ice donuts and serve.
- To fill the heart shaped donut, use a standard piping bag nozzle and press it into the side of the donut and fill the donut with Rich's® Bettercreme® or Whip Topping to offer a filled donut option.

Shelf Life

- Frozen: 9 months.
- Ambient: 1 day.

Rainbow Bright

Dip in Rich's® White Dipping Icing and place coloured chocolate balls. Finish by sprinkling green and pink hundreds and thousands, then string ice melted chocolate over the donut.

All Assorted

Dip in Rich's® White Dipping Icing and place coloured Liquorice Allsorts. Finish by sprinkling green and pink hundreds and thousands, then string ice melted chocolate over the donut.

Heart to Heart

Dip in Rich's® White Dipping Icing and finish by placing pink, red and white edible hearts.

Choc Whisper

Dip in Rich's® Koko Dipping Icing and sprinkle pink hundreds and thousands. Cut chocolate whisper balls in half, then place on donut. String ice with white dipping icing to finish.

Biscuit Crumble

Dip in Rich's® Koko Dipping Icing. Crush Oreo® biscuit over the donut and sprinkle edible glitter. String ice with white dipping icing mixed with pink food colouring to finish.

Caramelized Nuts

Dip in Rich's® Caramel Dipping Icing and place crushed nuts. String ice with white dipping icing to finish.

White Dipping Decadence

Dip in Rich's® White Dipping Icing and place chocolate whisper balls. Sprinkle edible glitter and string ice caramel dipping icing over the donut to finish.

Koko Dipping Decadence

Dip in Rich's® Koko Dipping Icing and place chocolate whisper balls. Sprinkle edible glitter and string ice white dipping icing over the donut to finish.

Caramel Dipping Decadence

Dip in Rich's® Caramel Dipping Icing and place chocolate whisper balls. Sprinkle edible glitter and string ice koko dipping icing over the donut to finish.

Flower Happiness

Dip in Rich's® White Dipping Icing mixed with pink food colouring and place pink large edible flowers. Sprinkle tiny chocolate balls and edible glitter over the donut to finish.

Chocolate Crème

Dip bottom side of the donut in melted chocolate and allow to dry. Pipe Chocolate Whip Topping using a size 9 star nozzle and string ice with melted chocolate.

Dipped Duo

Dip one half of the donut in white dipping icing and the other half in koko dipping icing. String ice the koko dipping icing side with white dipping icing and the white dipping icing side with koko dipping icing.

Chocolate Wafer

Dip donut in melted chocolate as seen on image and allow to dry. Pipe a dollop of chocolate whip topping and place wafer sticks on the dollop. Finish by sprinkling edible glitter over the donut.

Caramelized Delight

Dip in Rich's® Caramel Dipping Icing and place caramel popcorn. String ice melted chocolate and sprinkle edible glitter over the donut.

Chocolate Nuts

Dip bottom side of the donut in melted chocolate and allow to dry. Glaze the donut with syrup and sprinkle crushed pecan nuts over the donut.

Crème Dipped Heart Donut

Step 1: Place donut on a grid. Pipe dollops of strawberry or crème soda whip topping on the donut.

Step 2: Pour melted chocolate over the donut.

Step 3: String ice white dipping icing mixed with pink or green food colouring.

Step 4: Leave the donut until the chocolate is hard. Place in refrigerator for faster results.
